Kim E. Dooley is an Associate Professor in the Department of Agricultural Education at Texas A&M University. She has conducted professional presentations and numerous distance training programs around the globe. Her publications include a book available in 2005 entitled *Advanced Methods in Distance Education: Applications and Practices for Educators, Administrators, and Learners*. She has served on many university/system committees and advisory boards, including the American Distance Education Consortium International Taskforce. She was also the 1999 recipient of the Montague Teaching Scholar Award and the 2002 International Excellence Award at Texas A&M University. She is an active member of the American Association of Agriculture Education and the Association for International Agricultural and Extension Education. She received the Outstanding Young Member Award for the Southern Region of the American Association of Agricultural Educators in 2002 and has won the Outstanding Paper Presentation three times (National-2000, Western Region, 2000, and Southern Region, 2003). <http://www.aged.tamu.edu/people/faculty/dooley>
