

Dr. Lukas Nellen Filla
Instituto de Ciencias Nucleares, UNAM
Tel.: +52 55 5622-4695
email: lukas@nucleares.unam.mx

Interests: Astro-particle Physics, Observation of Cosmic Rays and Gamma Rays;
Computing and networking infrastructures (Hardware and Software) to support
High-Energy Physics,
Astro-Physics and other data-intense areas of research

Studies: Bonn, Munich, Oxford (PhD in theoretical physics in 1990)
Collaborations:

Pierre Auger Observatory: Offline software, Data Management; Chair of the Collaboration Board

HAWC Observatory: Mexican Data Center for HAWC, Site Computing, Networking;

Chair of the Collaboration Board

ALICE (LHC at CERN): Grid Computing, Mexican Data Center for ALICE
