MIZORAM UNIVERSITY (MZU)

Mizoram University, established in 2001, is located in Aizawl, the capital of Mizoram, covering 978.1988 acres. Accredited with an 'A+' grade by NAAC (3rd Cycle) and ranked among the top 100 universities in India, it offers a range of UG, PG, and PhD programs through 39 departments under 10 schools. The university is known for its eco-friendly campus powered by solar energy and its active involvement in sports, cultural, and social outreach activities. It ranks 76th in the NIRF 2023 and is recognized for its commitment to sustainable, multidisciplinary education aligned with NEP 2020.

**DEPARTMENT OF MATHEMATICS
AND COMPUTER SCIENCE**

The Department of Mathematics and Computer Science, established in 2006, offers specialized programs: MSc-Mathematics; MCA-AI&ML; PhD in Mathematics, Computer Science and Statistics. The Department follows UGC guidelines and implemented the Choice Based Credit System (CBCS) in 2012 and NEP 2020. It has three computer labs and a library with over 6000 books, funded by NBHM & DST-FIST. In 2021, the Department received a grant of Rs. 40 lakh from DST-FIST for infrastructure development. The department regularly organizes conferences, workshops, and seminars, and is enriched by notable alumni who have secured government jobs or pursued higher studies.

ABOUT THE WORKSHOP

Core Objectives and Highlights:

The workshop is designed to bridge the gap between theoretical AI and its practical application in higher education.

Key focus areas included:

- **AI as a Teaching Companion:** Exploring how generative AI and machine learning tools can assist educators in curriculum development and personalized student engagement.
- **Research Innovation: Leveraging AI** for complex data analysis, particularly in mathematical modeling and computational research.
- **Administration Efficiency:** Discussing how AI can streamline university administration and resource management.
